A new Gold Mining Company has been organized, under the laws of this State, under the title of the Melville Gold Mining Company. They have chosen as directors, Gordon Burnham, J. C. Mallory, Gerard Crane, J. N. Wykoff and D. W. Ingersoll of New York; Col. J. B. Morgan of Virginia, and J. H. Johnston of New Hampshire; and have elected as their officers, J. C. They have now a mining force on the property making new openings, and have a large amount of ore ready for the mill, and are preparing to enlarge their machinery & extensive operations. The Company have a stock of about 1,100 acres in Orange County, N.Y., and the Melville and Coulter Mines. The territory has a front of a mile on the Rapidan River.

As the season advances there is rather more doing in all branches of trade, but business is still not equal to activity to the same period of last year.

In the Money market there is no change of importance. In the street loans from day to day are made without difficulty at 12 per cent on securities available at any moment. First class paper goes at 10@12 per cent, and the amount pressing on the street is not large.
